

USG LEVELROCK® BRAND PERFORMANCE FLOORING

FIBER REINFORCED (FR)

ENGINEERED CEMENTITIOUS UNDERLAYMENTS

How do you improve USG Levelrock® Brand Stronger Than Concrete™ floor underlayments? **By reinforcing them.** Introducing USG Levelrock® Fiber Reinforced (FR) engineered cementitious underlayments, cost-effective reinforcement solutions that provide:

- A smooth surface with improved impact resistance
- Enhanced crack reduction and further propagation reduction
- Improved load distribution
